RE: Proposed Sunrise Mountain and Historic Lateral Weir Construction
Nevada Environmental Response Trust Water Treatment
Henderson, Nevada

Dear Mr. Entsminger:

As Ordered by the Nevada Division of Environmental Protection (NDEP), the Nevada Environmental Response Trust (NERT) is evaluating treatment options for water generated by dewatering operations associated with the construction of the planned Sunrise Mountain and Historic Lateral Weirs. In order to expedite the required water treatment engineering evaluation, NERT is requesting a meeting with your staff as soon as possible to discuss the details of the planned weir construction. The attached letter summarizes the information that NERT requires to complete the tasks required under the Order issued by NDEP. NERT is prepared to meet with your staff on June 15 through 17, 2016 to discuss the weir projects.

Please have your staff contact me to set up a meeting date. I can be reached at (702) 960-4309 or at steve.clough@nert-trust.com.
